

**Mumbai is the competition site for VCA 2014. The theme is "Everyone Connects".**

**PRELIMINARY INFORMATION:**

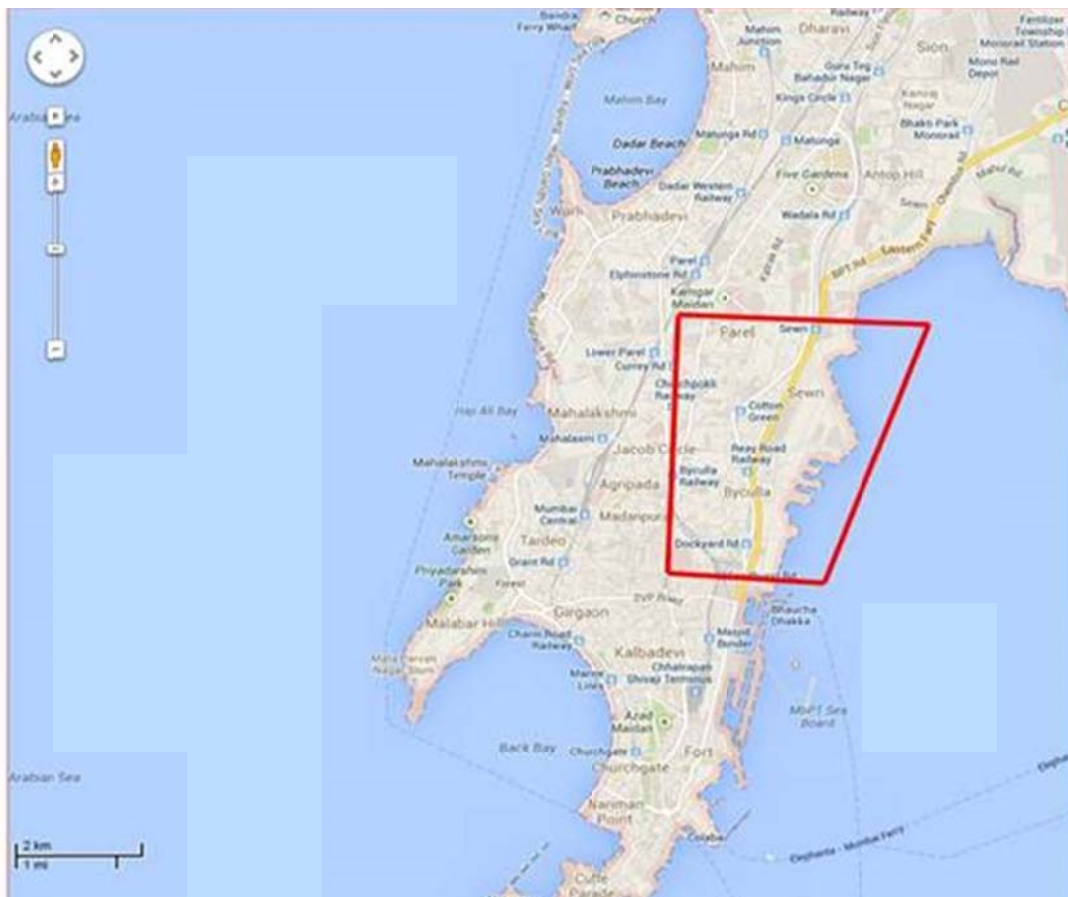

**Theme:**

"Everyone connects" is a wide and provocative challenge. It demands a holistic and integrated approach. "Connect" is interpreted extensively to mean the following:

- Connect to clean energy
- Connect to clean water
- Connect to fresh air
- Connect to transport efficiency
- Connect to work, learn, live and play opportunities
- Connect to communities
- **In other words, Connect to liveability**

**Site:**

Mumbai is facing the challenges of urban connection. The site is located within the Eastern side of the city of Mumbai peninsular (including the dockyards and a portion of an adjacent urban district). It will be located within the red boundary below.

*More details of the competition site and brief will be announced in mid-December 2013.*
